CAREER OBJECTIVE

Aspiring software developer passionate about Java, Python, and AI. Eager to contribute to innovative projects and build real-world solutions while continuously growing through hands-on experience. Committed to leveraging technical skills and creativity to develop impactful software applications that solve real-world challenges. Seeking opportunities to collaborate with talented teams, expand knowledge in emerging technologies, and make meaningful contributions to the field of software development.

EDUCATION

Rathinam Technical Campus Coimbatore

B.E. Electronics and Communication Engineering

CGPA: 8.49 | 2023 – 2027

Higher Secondary (12th), Sri Vinayaga Matric Hr. Sec. School-75%

SSLC (10th), Sri Vinayaga Matric Hr. Sec. School-97%

TECHNICAL SKILLS

Languages: Java, Python

Database: SQL (Structured Query Language)

Web Technologies: HTML, CSS, JavaScript

Domain Knowledge: Embedded Systems

INTERNSHIP

Embedded Systems Intern, Industry Internship

Worked with microcontrollers and hardware components in a real-time embedded environment.

- Gained practical knowledge of hardware-software integration and firmware programming.
- Developed and tested embedded C programs for sensor interfacing and data acquisition modules.
- Collaborated with the engineering team to debug hardware issues and optimize system performance.

PROJECTS

Photo Story Generator, Python (Flask), HTML, CSS, OpenAI API

- Built a full-stack web app that accepts image uploads and generates creative AI-powered stories.
- Supports multiple genres - mystery, romance, and sci-fi - with a completely fresh story on every run.
- Integrated image recognition to extract visual context and pass it to the AI story generation model.
- Designed a responsive and user-friendly UI using HTML and CSS for seamless interaction.
- Implemented backend logic using Flask to handle file uploads, API calls, and dynamic story rendering.

CERTIFICATIONS

Internet of Things (IoT) - NPTEL | Elite

Networking | Certificate of Completion

Data Analytics using Python | Certificate of Completion

SOFT SKILLS

Communication | Team Collaboration | Leadership | Adaptability
